## Geneva Motor Show 2013!

The best rides from the most influential car show on Earth!

→ **EVERY YEAR**, the eyes of the world fall on Switzerland, and not because everyone suddenly gets interested in cuckoo clocks. Nope, it's because of the annual Geneva Motor Show, at which all of the top supercar manufacturers unveil their astonishingly expensive new machines and works in progress. So sit back, put on your driving gloves and enjoy a feast of cars that you'll never be able to afford...

### ALFA ROMEO 4C LAUNCH EDITION

Probably the best-looking Alfa ever, this is the Italian answer to the Lotus Elise. Lightweight carbon-fibre construction means its 240bhp 1.75-litre turbo can shift it to 62mph faster than the Porsche Cayman. This "Launch Edition" is limited to 1,000 cars.

**Top speed:** 155mph **0-62:** 4.5 secs **Price:** £51,000

### ITALDESIGN GIUGIARO PARCOUR CONCEPT

Celebrating 45 years of Italian styling house ItalDesign Giugiaro, this concept is a mash-up of SUV and retro supercar, with a bodyshell inspired by the classic wedge-shaped Lancia Stratos, a 5.2-litre Lamborghini V10 motor, 4WD and 22in rims.

**Top speed:** 197mph **0-62:** 3.6 secs **Price:** Not for sale

### FERRARI LAFERRARI

The Enzo's replacement is the fastest Ferrari yet. It's also the first hybrid model, using a 161bhp electric motor to assist the screaming 789bhp 6.3-litre V12. Only 499 customers will ever own one – and they've already had 700 orders... Uh-oh!

**Top speed:** 219mph+ **0-62:** 3 secs **Price:** £1,000,000

### KOENIGSEGG AGERA HUNDRA

This one-off Agera S is the 100th Koenigsegg. It's finished in bare carbon with 24-carat gold inlays, gold-plated exhausts and "Air Core" hollow-spoke carbon wheels. And it's already been sold to a buyer in Hong Kong, for just over £1million.

**Top speed:** 250mph **0-62:** 2.8 secs **Price:** £1,058,000

### MCLAREN P1

McLaren's answer to LaFerrari, also with hybrid power – in this case, a twin-turbo V8 backed with a 177bhp electric motor and rear-wheel drive, providing 903bhp and getting to 124mph in under seven bum-clenching seconds. But only 375 will be made.

**Top speed:** 217mph **0-62:** 2.8 secs **Price:** £866,000

### PININFARINA SERGIO CONCEPT

A tribute to legendary sportscar designer Sergio Pininfarina, this concept uses Ferrari 458 Spider running gear but is stiffer and 150kg lighter. Over the mid-mounted 570bhp 4.5-litre V8 is a futuristic two-seat carbon-fibre body – with no windscreen!

**Top speed:** 205mph **0-62:** 3.2 secs **Price:** Not for sale

### PORSCHE 911 GT3

Celebrating 50 years of the 911, the road-race spec GT3 offers electronically controlled four-wheel steering and (sadly) no manual gearbox. The distinctive bodykit tells spectators this is pure GT3 and the normally aspirated 3.8 screams to 9,000rpm.

**Top speed:** 196mph **0-62:** 3.5 secs **Price:** £100,540

### ROLLS ROYCE WRAITH

The most powerful Rolls ever, this two-door fastback weighs 2.6 tonnes but its 6.5-litre V12 whips it to 62mph faster than a Porsche 911 Carrera. Gulp! Inside, 1,340 fibre-optic lights are woven into the roof lining to mimic a twinkling night sky.

**Top speed:** 155mph **0-62:** 4.6 secs **Price:** £211,000

### WEISMANN GT MF4-CS

Germany's answer to the very British Morgan has old car design hints but packs the latest BMW M3's 4.0-litre V8. The hardcore "Club Sport" model has integrated roll cage and race seats, and weight has been shaved by 100kg, making it a race-ready riot.

**Top speed:** 182mph **0-62:** 4.4 secs **Price:** £166,925

### CHEVROLET CORVETTE C7 STINGRAY CONVERTIBLE

The fresh face of American muscle gets the tin opener treatment, but promises to be as stiff as the hardtop (57 per cent stiffer and 45kg lighter than the C6). Inside the carbon-fibre lined cabin is a pair of 8in infotainment touch screens.

**Top speed:** 192mph **0-62:** 3.8 secs **Price:** £50,000

### ASTON MARTIN BERTONE JET 2+2 SHOOTING BRAKE

This is what happens when an Aston Martin collector asks coachbuilders Bertone for something that can carry Labradors and stuff – the ultimate estate, crafted from Aston's Rapide saloon, with a revamped rear end and increased head/legroom.

**Top speed:** 190mph **0-62:** 4.9 secs **Price:** £400,000

#### SPYKER B6 VENATOR

Dutch firm Spyker loves old aircraft influences – just check out the afterburner-style LED rear lights and glass-roofed cockpit. The B6 Venator shows that the company can still make a mean mid-engined coupé. And Spyker interiors are just jaw-dropping.

**Top speed:** 187mph **0-62:** 4.6 secs **Price:** £100,000

#### MASERATI GRANTURISMO MC STRADEALE

Focusing more on luxury, the new GT MC Stradale now has two back seats. To compensate for the extra weight, it has a carbon bonnet, carbon ceramic anchors and forged 20in wheels. The gearbox shifts in 60 milliseconds – five times faster than a blink!

**Top speed:** 188mph **0-62:** 4.5 secs **Price:** £111,000

#### LAMBORGHINI VENENO

It's Lamborghini's 50th birthday and to celebrate, they're building three of these Aventador-based street-legal race cars. The Aventador's V12 has had an extra 50bhp wrung out of it, with larger air intakes, higher rev limit and a quad exhaust.

**Top speed:** 221mph **0-62:** 2.7 secs **Price:** £3,100,000

EXCLUSIVE!

# It's *TOWIE*'s Jasmin!

The lovely, Essex Miss Walia, in just her smalls!

→ SO AS TV show introductions go, *TOWIE*'s hot new brunette didn't get the best reception, as the last series saw her take porky crooner James "Arg" Argent home for a first date with his family that was so cringeworthy, Arg literally legged it. Like some kind of wibbly-wobbly, bow tie-wearing Mo Farah.

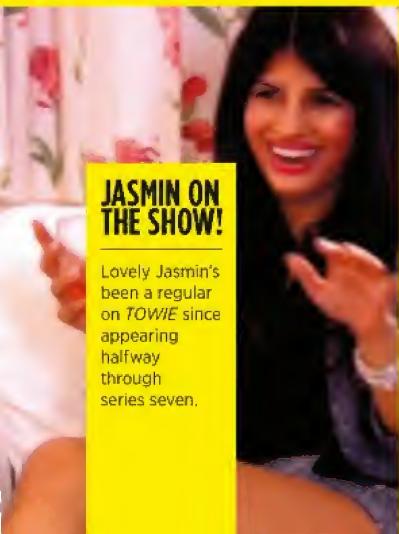

Nevertheless, Jasmin's returned for series eight unbowed, alongside her brother Danny Walia, a man who somehow manages to make Joey Essex look erudite and learned. A task trickier than vajazzling a rhino. However fabulous it might subsequently look. And while we're on about looking fabulous...

- *TOWIE* is on Sundays and Wednesdays on ITV2/HD at 10pm.

## JASMIN ON THE SHOW!

Lovely Jasmin's been a regular on *TOWIE* since appearing halfway through series seven.

"Yep, I've lost the feeling in my right hand"

"Damn it! Where's  
the shoehorn  
when I need it?"

"Ah, bliss! Just  
me, the couch  
and *Crimewatch*"

"I'm sure it said  
'Adidas' on the box"

# Russell Howard's new jokes!

Brilliant gag premieres from the wonky-eyed comic!

## On his cousin!

"I went to the zoo with an eight-year-old boy. My cousin. I don't know if you've ever been to the zoo with an eight-year-old when you've got a hangover, but you've never experienced pain like it. 'Russ, Russ, if my brain was inside an elephant's brain, would I still know I was me, or would I think I was an elephant?' 'Ow! My head hurts.'"

## On being a sex symbol!

"I've just won Heat magazine's Weird Celebrity Crush Of The Year. Weird isn't a compliment. I think I'm reasonably presentable. Do you know who was number six? The bloke from *Man vs Food*. What the f\*\*k is wrong with you women? What woman is thinking, 'F\*\*king hell, look at that sexy b\*stard forcing his face into a dead pig!' He's snout deep in a dead animal and women are going, 'Yeah, he's a bit of a charmer.'"

## On school!

"I was chatting with my mate about the three scariest moments of school. Number one, we had a teacher called Mr Pratt who was f\*\*king terrifying. Free Dress Day was horrible. There was only one kid who judged everything you wore. I once wore a pair of Nike Air Max that were two sizes too small for me just so I wouldn't be bullied. I walked into school like a f\*\*king geisha."

"The most terrifying was book reports. Remember English? You'd stand in front of the class and you hadn't read the book. You'd just blag your way through it. 'Well, where to start with this phenomenal book? The words...

are some of the greatest I have ever seen. And the order of the words... mesmerising. I agree with the author. You should never, ever, kill a mockingbird.' Just this parade of blaggers. I thought I was grumpy and then I read about *Les Misérables*. What a curmudgeon!"

## On in-jokes!

"We've got jokes in our house which we've been doing forever. On BBC London News, whenever the newsreader called Asad Ahmed comes on and goes, 'Hello, I'm Asad Ahmed', you have to go, 'I'm sorry to hear that.' Those are the rules in my house."

"The joke in our family is that whenever anyone says something vaguely suggestive, you have to go, 'Murr.' Those are the rules. Dad would come into the house, Mum will say, 'I didn't see you come in.' Dad will say, 'I came round the back,' and my brother will go, 'Murr.' Mum still doesn't know how to do it but will try to join in. I went, 'Mum, do you want a cup of tea?' She went, 'Murr.' How can that be sexual? How can a cup of tea possibly be rude? She looked at me and went, 'I don't know. You could pour it up your ass?' Imagine being raised by that woman? 'You put me in a corner so I'm going to try to be funny. That's what I do, lazy eyes.'"

## On porn!

"I took my laptop to the Apple shop to be fixed. It's impossible not to look dodgy as a man walking into a shop with a laptop. I started thinking of all the horrible things I've seen on this laptop, the ghost of porn past, as if the laptop was going to speak and go, 'I've got so many secrets!'"

"You think the stuff you look at is normal, it's probably what everybody looks at. What if it's weird? What if the pornography you've looked at is the creepiest of all creepy? I don't know if ladies touch themselves off as often as men but there are times at the end of a long hard day when my penis looks like an '80s joystick, contours where my fingers have been, red on top."

"So I'm walking into the Apple shop and go, 'I'm writing a film and I've lost 17 pages, I really need them back.' The computer powers up. I'd forgotten what I was looking at just before I dropped my laptop onto the floor. And up pops a video of a monkey raping a frog. The bloke looked at me and went, 'Are you writing a film about animals?'"

## On Saturn!

"It's the Beyoncé of planets. God liked it so much, he put a ring on it!"

## On *Dragons'* *Den!*

"If you're having sex with Deborah Meaden, and it's a big if, you'd have to go... 'I'm out!'"

## On his mum!

"My mum rang me up. She said, 'What's wrong with you then?' I said, 'Nothing's wrong, what's wrong with you?' She said, 'Why are you ignoring me on Twitter?' A) That isn't how a mother and a son should communicate. B) I'm not on Twitter. Someone is pretending to be me so they can get to my mum. How creepy is that? This bloke said, 'Fancy meeting up for a drink?' My mum replied, 'It's 11 o'clock, Russ.' He wrote back, 'I know, let's get this party started.' At no point did my mum think, 'That's a bit unusual. Doesn't sound like Russ.' Mum sent one back, 'What party?'"

## On children!

"Did you know a third of primary school children are obese? Isn't that insane, that you can be that fat, aged five? The government are trying to ban TV chefs until 9 o'clock. Because kids are f\*\*\*ing obsessed with the Hairy Bikers. 'Mum, please can I stay up late, they're cooking a beef Wellington and if I don't know the recipe, I'll be bullied in the car park. The key, mum, is to sear the beef and cover the pastry.' There's going to be warnings.

'The following show contains butter.'"

- Russell will be touring the UK later in the year.

# Meet Lee Nelson's Well Funny People!

The chaps from his new show say hello!

→ **LEE NELSON'S Well Good Show** skipped onto BBC Three in 2009 like a pitbull puppy – as likely to lick you to death as savage off a shell-suited leg. But its two series regularly pulled in over two million viewers, and now Lee's back with a new show – *Lee Nelson's Well Funny People* – and a new rogues' gallery of characters. Introduce yourselves, chaps!

● *Lee Nelson's Well Funny People* starts on BBC Three, 14 March, 10pm

WORDS: RORY BUCKERIDGE PHOTOS: REX FEATURES

## THE CHUGGER

"Excuse me. Excuse me. Excuse me, mate! Oi, I'm talking to you! I only need two minutes of your time. If you give just £5 a month you can help house underprivileged goats in Africa. Oi, come back!"

## DR BOB

"Hello, Dr Bob here. Presenter of *Life Begins With Dr Bob*. After a record 400 malpractice complaints and 23 unexplained deaths, I've decided to leave hospital and set up my own GP surgery. Next!"

## WHAT'S UP, DOC?

Simon Brodkin, who plays Lee and his cast of characters, qualified as a doctor in real life in 2001!

## GANGSTER HEADMASTER

"Listen up, you soft sh\*\*ts. Twenty years on the London gangster scene means I'm a hard b\*stard and I get results. That's why I've been put in charge of a struggling school in Hampshire. Capiche?"

**DJ SICK CHOONZ**

"I'm a DJ that spins mad tunes for bare people in 'nuff nightclubs. My equipment is the best money can buy. Mummy bought it all for me. I s'pose the only thing I'm not that great at is the DJing bit. Safe!"

**M21 GANG**

"I'm leader of the Manchester M21 gang, aka The Manchester Mental Heads, aka The Manchester Mad Dogs. We smash things up, we loot, we rob. And you know why? 'Cos we're so f\*\*king bored!"

**GARY**

"OMG! I can't believe I'm doing this – I'm just me. I'm just Gary. You probably recognise me from hit reality TV show *The Only Way Is Macclesfield*. Well now I've got my own spin-off show. OMG! LOL!"

**JASON BENT**

"Want exclusive access to a Premier League club? Then watch *Jason Bent – More Bent Than Ever*. I sleep with my team-mate's wife, bet on our matches, and find out another team-mate's gay."

**LEE NELSON**

"All right you legends! Lee Nelson's back! This time I'm taking all of you to my South London estate to check out life with my missus Amber, my boy Stairwell and my stepbrother Damo."

## AnnaLynne McCord

**In Officer Down**

AnnaLynne. Playing a pole dancer. That is all.

# Rude NEWS

The kind of news even Roy Keane couldn't disagree with!

## Sabine and Rosie Jones

**On holiday, Barbados**

Apparently, Sabine and Rosie can bodyboard. Topless. The best kind of bodyboarding there is.

## Rihanna

**On that Twitter**

There are some who say that Rihanna reveals too much of herself on Twitter. We say, "Just hush your yaps and enjoy this pic."

## Jennifer Lawrence

**On holiday, Hawaii**

Jen recently won an Oscar for Best Actress, so she's clearly a woman of talent. More importantly, she looks tidy in a two-piece.

## Kimberley Walsh

**O2, London**

Apparently, it was quite cold on stage during Girls Aloud's recent London gig.

## Selena Gomez

**Video shoot, Palmdale**

We're not sure about the sunglasses, but we're happy to wholeheartedly endorse the rest of the outfit. Justin Bieber, what were you thinking?

## Kourtney Kardashian

**On holiday, Mexico**

Feast your beady little eyes on KK's beady little bikini, and give thanks.

# A quick word with James McAvoy!

The actor on his new film and killing Boba Fett!

**→ Hi James. You're in *Welcome To The Punch*. Sounds a bit**

**of a strange title for a film!**

Yeah, it's one of those titles that makes you go, "What the...?" But the title is just a bit of a hook, really. I play a cop called Max Lewinsky who thinks he's immortal and can do anything. He's not really a detective, he doesn't sleuth much – he's a copper who chases people down and jumps in when he shouldn't. Then he comes up against one of Britain's most wanted criminals, played by Mark Strong, who teaches him that's not the case and inflicts fear and mortality on him. Because Mark Strong is very hard, both in the film and in real life!

**What do you think of the way London looks in the film? It's certainly more glamorous than *Snatch* or *The Bill*!**

I love British films and I love gritty British dramas, but we're not trying to go, "This is the real world."

We're going, "Here's a rip-roaring, emotionally powerful piece of

entertainment," you know? It's slick, it's beautiful, and it's aspirational.

**Did you have to train much for all those gunfights?**

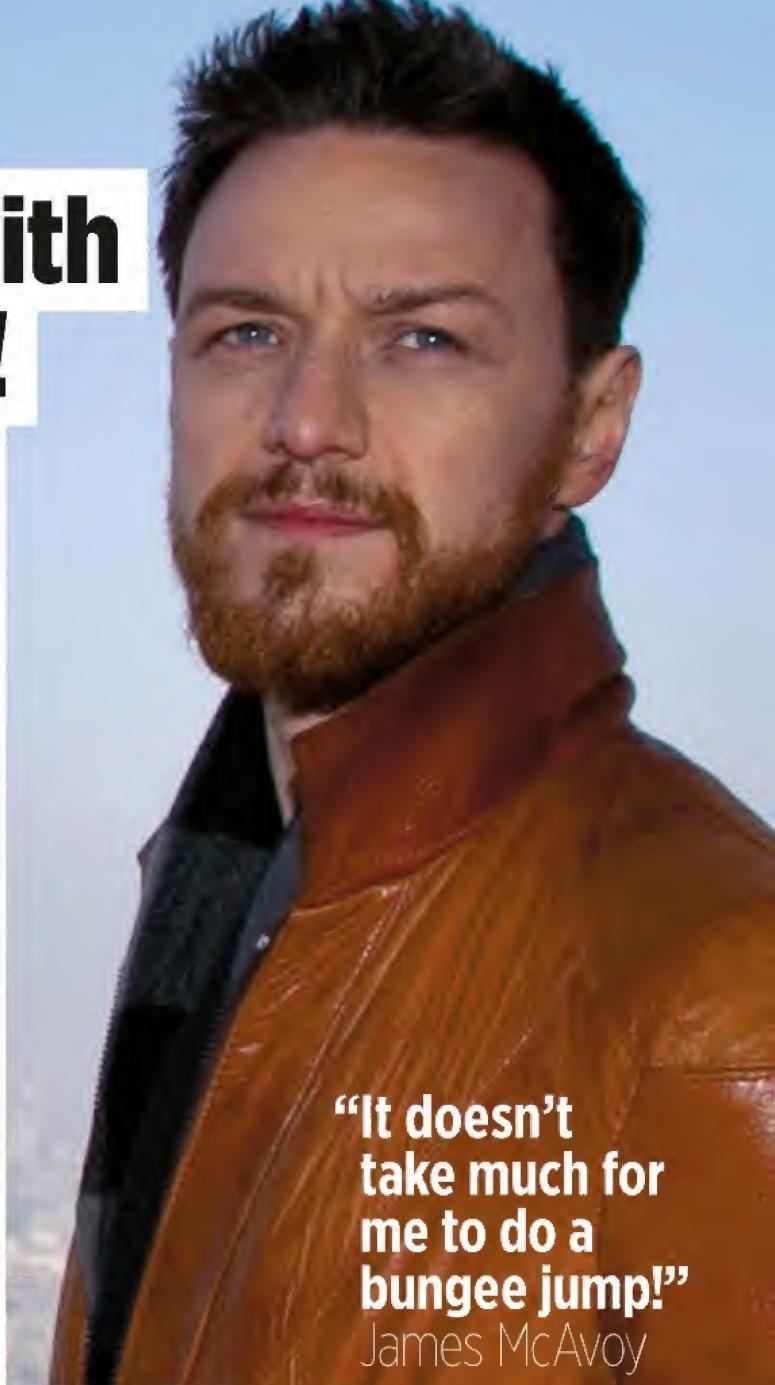

I did a little, but not too much. Weirdly, I had the exact same gun as I did in *Wanted*, but I couldn't bend bullets in this one. I loved doing the stunts. I've always been quick to jump off something. You don't have to convince me too hard to do a bungee jump. The best bit was learning how to stunt drive and do 360s and fishtails. I was taught how to drive very fast by the stunt man who did the stunts for Boba Fett in *The Return Of The Jedi*. And then later on in the film, I get to kill him. So I've killed Boba Fett, just so you know!

**Han Solo owes you one! Your partner in the film is played by Andrea Risborough. What's it like teaming up with a lady?**

She's a nightmare. Ha-ha! Her character has chosen to work with my character because they're a similar age, they've both been fast-tracked. He's been thrown some bad stuff but she thought he was probably still quite a dynamic cop. Instead, she gets a partner who's scared to get out of bed and sits at his desk eating toast. The fact that she's got any time for me at all mystifies me.

**You seem like a nice guy. Would you ever like to play the villain?**

Yeah, maybe. I'm playing a bit of a villain on stage at the moment [in *Macbeth*] and it's good fun – I get to kill a lot of people. It's really doing it for me right now, so I'd like to

**"It doesn't take much for me to do a bungee jump!"**  
James McAvoy

bring that to a film at some point. That would be cool.

**Thanks, James. Finally, as well as *Welcome To The Punch*, and *Macbeth*, you're also filming Danny Boyle's *Trace* at the moment. Aren't you knackered?**

Theatre does sometimes feel like you're having a mental and physical breakdown every night. So I am exhausted. I've got a fold-out bed, so I'll get my sleeping bag out and sleep there for a couple of hours if I can.

● *Welcome To The Punch* is in cinemas from Friday 15 March.

"This the right place for the Xabi Alonso lookalike contest?"

**ROLLING WITH THE PUNCHES!**

The film sees a cop (James) hunt his nemesis following a botched heist.

# Sir Alex's nose: A life in pictures!

We chart the progress of perhaps the purplest hooter in sport!

→ IN THE midst of all the chaos happening at Old Trafford last week, one thing struck us harder than a Nani flying boot to the chest – Wow! Hasn't Sir Alex Ferguson got a great big purple nose! You could probably see that thing from space! It hasn't always been this way though, so sit back and enjoy a stroll down memory lane, as we tell the picturesque story of Fergie's beautiful, hooterful conk!

**1986** Not yet a Sir, Alex starts out on his managerial odyssey with a nose the same colour as the rest of his face.

**1990** As Fergie begins to build his empire, a tiniest touch of pinkness starts to pervade his proboscis.

**2001** After 15 years, Fergie's nose seems to be indicating its loyalty by adopting the club colour scheme.

**2005** And now we have what we call "The Purple Years". The nose emits an eerie glow, like a facial UFO.

**2009** The purpleness now seems to be intensifying, like some kind of wonderful, vivid nasal flower.

**2013** Behold the nose of now, a glowing violet schnozz, the colour of a glass of Sir Alex's favourite claret.

**2014?** It's anyone's guess what Sir Alex's nose will look like in a year's time. Here's our artist's impression!

# Don't look!

The page that makes you go, 'Eurgh!'

"I was trying to draw a smiley face, and my pen slipped"

## TORN ANKLE!

## ON THE MEND!

"I still look fine from the shins up"

# 'If this makes you sick, imagine how I feel!'

RAF instructor takes a tumble and shreds his ankle ligaments!

→ WHEN CPL Paul Bellingham, an RAF gliding and mountain bike instructor, slipped and fell down some metal steps, he feared the worst. And guess what? He was right.

Scans revealed serious damage to his ankle's

peroneus brevis and longus tendons. No, us neither, but it sounds icky, and when surgeons operated last month, they took some gruesome pics into the bargain. "If they make you feel sick," says Paul, "just imagine how I feel!"

An entire section of tendon had to be removed as it was

beyond repair, but Paul's keeping his spirits up. He's hoping to be back on a treadmill by September, if not his bike, and he reports, "Two weeks into my rehab and I still haven't lowered myself to watching *Jeremy Kyle*. Nuts has kept me going!"

Proud to be of service, Sir!

LETTER OF THE WEEK!

## I want some sky-high fun!

Lots of people talk about joining the mile high club. I'm off on a short break next month and want to suggest it to the missus. Is it as easy as people make out? How can we do it without getting caught?

AARON Luton

Everything's possible. Book seats furthest away from the loos to set yourself a challenge. She'd have to be quiet though. Make sure you tell her that. Women secretly love being told what to do. Bring a blanket to, er, warm her up first.

## Landlady wants a romp!

I work in a pub and the landlady's always being really sexually suggestive and

## Should I send a rude pic?

Would sending naked pictures of myself to my girlfriend encourage her to return the favour? I want her to take some saucy snaps, but I'm too embarrassed to ask her.

ELLIS South London

I think it's a fair approach. If you make yourself vulnerable to being uploaded on Facebook first, she'll have more trust in you. But how about picking up some flowers, visiting her and saying, "I'd love to see you naked." That way you can actually get down to business plus you'll come across as super-romantic.

groping me despite the fact she's married. How can I reject her advances? Or should I just get in there and do the dirty without anyone knowing?

JED Sunderland

I wouldn't go through with it. No one likes a woman to be too forward. Tell the husband. That'll stop it. Unless you're planning on leaving your job and want to leave with a bang.

## I like a lesbian!

Is it possible to turn a lesbian? I've proper got the hots for a girl at work. Would she ever be tempted? I'm not bad-looking!

ANON via email

First, avoid using the word "turn" as it sounds very manipulative. It's as possible that you'll meet the woman of your dreams one day as it is that you can seduce this girl. If there's a connection, never be afraid. There's no harm in asking her on a date. That way you'll find out pretty quickly. By the way, how hot are we talking and where do you work? It sounds like I should take a closer look at this one!

### Sweet comeback!

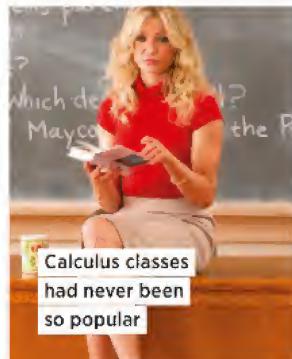

A MAN'S walking down the street when he comes across a lad sitting outside a supermarket stuffing his face with sweets and chocolate. The man walks up to the lad and says, "You know, it's very unhealthy to eat all that sugar."

The lad looks up and says, "Well, my grandad lived to be 97!"

Impressed, the man says, "And did your grandad eat a lot of sugar?"

"No," the lad replies. "But he minded his own bloody business!"

MY ENGLISH teacher was lecturing us the other day. "In English, a double-negative forms a positive. However, in some languages, such as Russian, a double-negative remains a negative. But there isn't a single language in the world in which a double positive can express a negative."

**i Danielle! What madness have you been getting up to since you were last in the mag?**

Hello! Nothing too mad. I've probably only been out twice since then. There's nowhere good to go out where I live, but I'm sure the madness will begin in the summer.

**We're chuffed you're a *Nuts* regular now – have you been spotted out and about yet?**

No, ha-ha! Everyone's always surprised when they find out what I do. I guess it's because I never have my boobs on show. I have a lot of new followers on Twitter. They're very sweet. I update them regularly on my new shoots.

**Do you get any weird requests on there?**

Someone once asked for a picture of my feet. That was pretty weird.

**What do your uni mates make of your racy shoots?**

When they first saw them I think they were a bit shocked, ha-ha! I'm sure they love it. I'm also on a top that's on sale in Primark at the moment, so they think that's hilarious. All my friends have bought it.

**When you're on shoots now, do you become desensitised to the brilliance of boobs?**

Yeah, for sure. They're all over my Twitter and Facebook accounts, and I've had lots of shoots with other girls, so it's just the norm.

**Do you sometimes forget you have your boobs out when you're doing everyday things?**

I never really have them out while doing bits and bobs – they get in the way! They're best locked away.

**Last week, we celebrated brunettes in the mag. Which girl has the sexiest hair colour?**

Hmm... I like all the other girls' hair, although Lucy ►

Collett's colour is pretty awesome. Everyone loves a racy redhead, right?

**Can you give us some seduction tips? What can a chap do to make himself completely irresistible to you?**

I like it when a guy has his own style going on – he doesn't have to be wearing anything special. If it's a first date, I'd like something out of the ordinary – something fun. Dinner or a movie is just so bland and obvious.

**Which of your fellow *Nuts* babes do you have a big old crush on?**

Rosie Jones – she has an amazing body!

**What TV shows are you into at the moment?**

I've been enjoying that series *Mr Selfridge*. I also love *Peep Show* and *South Park*.

**Would you be up for going on a TV show?**

I'd love to be in a film one day. That would be really amazing. I wouldn't want to do any reality shows, though.

**What are you most looking forward to about this year?**

I finish uni soon and can't bloody wait! I want to go travelling and eventually move to London.

**Are you used to spotting yourself on the magazine shelves now?**

My girl mates get very excited. It's weird spotting yourself on the shelf in a petrol station. I was with my family once – that was awkward! I had to stand in front of *Nuts* so no one else in there saw it and pointed me out. Ha-ha!

**Thanks, Danielle! Finally, what's a firm winner when it comes to saucy undies with you?**

I've been known to buy really hot, lacy knickers before – they had a classic, vintage feel. I go for that kind of look rather than brightly coloured string underwear.

# STEVE CARRELL

The Anchorman legend chats to *Nuts* about being a fruity magician for his fantastic new flick!

**H**i Steve! We see you're sporting a mullet and some skintight Lycra for your new movie. How's that working out for you?

Hello! I feel extremely sexy. The open-chested, tight-pants look changes the way you carry yourself. I'd be walking around Vegas in character and nobody batted an eyelid. My agent couldn't keep her eyes off me. She's seeing a completely new person. I wear it on weekends now. I wear it to my wife's delight.

**Lovely! So what can you tell us about this nutty new character you're playing?**

Burt Wonderstone is an egomaniac magician. He started out as a kid with a love of magic, but now he's made it, he's become a jaded Las Vegas douchebag and so self-centred he gets his comeuppance. He sets about redeeming himself, but it's tricky to play a guy who's a total jerk and not have him become completely unlikable. But I get to wear some great outfits!

**Did you learn any real magic tricks for the films?**

A lot of kids grow up playing magician, so I was excited to get a chance to learn a little bit. But to become even mildly proficient with sleight of hand takes thousands of hours of practice, so I just tried to get good enough to fake it!

**So you can't teach us any magic?**

I do a trick with Olivia Wilde in the film that involves a condom. That's really all I can say. It sounds much more scandalous than it is!

**David Copperfield makes a cameo appearance in the film. Were any trade secrets revealed?**

David actually designed some of the bigger tricks and illusions in the film, which we did uncut without any CGI or camera trickery. But we had to sign a secrecy disclaimer, so if I told you how he did that, I'd have to kill you.

**Erm, OK! What's the best trick he did for you?**

We have a scene where Burt Wonderstone appears to escape the hangman's noose. First, David and his crew videotaped the trick to

show us what it would look like on camera and then he came in and instructed us on how to pull it off. It was really fun being on the inside of it all.

**Jim Carrey's conjurer character is called, er, "The Brain Rapist". What would Steve Carell's magician alter-ego name be?**

The "Epitome of Normalcy". Be amazed by how normal he is! But for my showpiece trick, I would be able to levitate and float out of the room. Imagine that! That would be one of the most impressive tricks ever!

**What's been your biggest feat of endurance to date?**

I used to race bicycles, and after 50 miles, when your legs start falling off, that's when you go beyond what you think you're capable of doing.

**Magicians are a**

**secretive, spooky bunch. How have they reacted to Burt Wonderstone?**

They're not afraid of how we portray that world and they can see the fun in it. When we were getting the movie together, we had a great response from the magic community. It's definitely a club, but a very welcoming one, as we found working with David.

**Is Jim Carrey as bonkers to work with as we imagine?**

He's phenomenal. He's crazy and sort of a genius. Steve Buscemi and I would look at each other after doing a scene with him and realise we'd both just been watching him. He's

astounding and outrageously inventive – every take is different. It's hard to figure out how his mind comes up with the things that it does.

**Were there times when you just stood back and let him go off on one?**

It would be ridiculous to have Jim Carrey in your movie and not let him run with it. That's what he does almost better than anyone. He had full licence to go wherever he wanted to go. His character goes to sleep on hot coals and drills a hole in his skull! And with actors like James Gandolfini from *The Sopranos* and Steve Buscemi from *Boardwalk Empire* – they might be known for dramatic roles, but they're funny because they don't play it for comedy.

**In the film, you get a live dog put down your pants. Did that experience put you off working with animals?**

The dog was actually very sweet. The biggest fear when working with a child or an animal is putting them in a comfort zone. A film set can be such a scary environment that you try your best to put them in a safe place so it doesn't seem so outrageously scary to them. I've been pretty lucky so far, but working with bears on *Anchorman* was a tiny bit scary for me because they seemed extremely grumpy and I wasn't into riding a bear. Who is?

**You mentioned the A-word! We've got to ask... how is *Anchorman 2* shaping up?**

It's set seven years later, at the dawn of the era of 24-hour TV news, so it's a whole new challenge for the Channel 9 team.

**Will your character Brick Tamland evolve?**

He will not evolve. He will devolve! That was my hope with the movie – that it's just going to be exactly the same. But we'll have to explore that in the sequel to see if I do still "love lamp".

**Can it really live up to the hype?**

I don't even know what kind of hype there is, but I think people who enjoyed the first one will enjoy this one. We've just started shooting, and don't worry – it will be equally silly.

**● The Incredible Burt Wonderstone is in cinemas from 15 March.**

# KOON TO SURVIVE IN THE WILDERNESS

BY THE MAN WHO  
SPENT 60 DAYS  
MAROONED ON A  
DESERT ISLAND!

**H**E WAS the first person to walk the full length of the Amazon river, in 2010, and more recently, former British Army captain Ed Stafford took on an even more formidable survival challenge. For 60 days, he was cast adrift on the tiny, uninhabited island of Olorua in a remote corner of the Pacific, about 400 miles east of Fiji. Temperatures on the island top 30°C during the day but plummet to below freezing at night. The surrounding waters are infested with sharks, and food sources are scarce. Nuts caught up with Ed to find out how he handled being a man marooned, and picked up a few useful man tips from him.

#### Hi Ed! Why did you take on such a bonkers challenge?

It was a concept we devised that sounded like an easy idea – I'd be shipped off to a desert island for 60 days – but eventually it hit home what a real challenge it would be. I wanted to do a TV programme where I could show this could be done. I had literally nothing to begin with. When they dropped me off and told me to take my shorts off, I was naked and felt like a right prat. I got over the embarrassment quickly because I was on my own, but it's amazing how vulnerable it makes you feel.

#### So you had nothing with you and were completely in the buff?

Yes, I had absolutely nothing. No tools. No clothes. I ended up wearing a grass skirt I'd made!

#### This was made for telly, so was there a temptation to stage elements in order to weave in a little more added drama?

No, it was deliberately flying in the face of all that. I like the stuff Bear Grylls has done, but he's got a lot of flak over the fact that they're scripted. What he did was brilliant, but there was a backlash, and I wanted mine to be an authentic experience from the start.

#### Did you ever need outside help at any point in your challenge?

On about day 47, I got quite seriously ill with a stomach parasite. In my box with the camera equipment I had an emergency satellite phone. I really didn't want to use it, but I ended up having to, and a local boat came in with antibiotics to knock it on the head. Otherwise I could have been in serious trouble.

#### Were you tempted to pretend that it didn't happen?

I thought the producers would brush it under the carpet, but it's been kept in, and that's what the programme's all about. It's not a set-up, it's completely authentic. It's not about making me into a he-man – there are just as many points where I've mucked stuff up as there are successes.

#### How come you didn't lose the plot?

That was the biggest challenge by far. I picked up a tip from the Australian Aborigines for dealing with stress. I was told to build a stone circle – a "safe" circle. Whenever I felt panicked or depressed I sat in there and smiled, realising everything was OK. That definitely stopped me from getting out of control and going madder.

#### Were you ever scared?

It wasn't like when I did the Amazon, where loads of things can kill you. The only life-threatening thing on the island were the sharks by the reef, and I stayed mainly on land. I was overwhelmed by the responsibility of being alone – not knowing if you've got water tomorrow can get pretty scary.

#### Did you make an imaginary friend?

I found an old rugby ball, which I called Gilbert, but I didn't speak to it – I used it as my pillow. Of course, I had a video camera, so that felt like I was talking to someone because I was recording all my emotions. Talking to something might be a sign of going mad, but I had a good reason for it!

#### When were you at your lowest ebb?

Early on, when I realised what I'd let myself in for. Even though it was for TV, it was real. If I didn't find enough water, I wouldn't last two days. Coming to terms with that made it easier. I made life better by making provisions, and by the end I was happy.

#### Can anyone do something like this?

I did it because although I'm an expedition leader, I'm not a bushcraft expert, so I wanted it to genuinely be a challenge. I had to learn to make fire, flints and bows and arrows before I went. I'd say anyone stubborn enough could do it with two weeks' training – but I wouldn't recommend it!

● *Naked And Marooned With Ed Stafford* premieres on Discovery Channel on Thursday 14 March at 9pm

## Ed's top tips for surviving in the wild!

Learn these island essentials and even if you never end up stranded, they could help with everyday life...

#### MAKE A FIRE FROM NOTHING

"I used the hand-drill method. Fashion a round spindle of wood and roll it between the palms of your hands, applying downward pressure on a harder bit of wood. You need a dry leaf under it to catch the embers."

#### CATCH YOUR DINNER

"I found things to eat like snails – I swallowed them whole. Loads of things can be foraged, like blackberries. I also found a feral goat caught in a tree, so I finished him off with a giant clam shell. It was pretty brutal!"

#### FIND A SOURCE OF WATER

"There was a tiny seep of ground water from a rock, which I collected in a bottle washed up on the shore. It collected really slowly, but I mixed it with coconut to make my own coconut water."

#### WIPE YOUR BUM OUTDOORS

"I did everything in a stream, so I had my own natural bidet. I had slightly rough skin by the end, but you can't complain. My advice would be to find a stream or other running water. You'll never get clean with a leaf."

#### BUILD A RAFT FROM SCRATCH

"I collected big pieces of bamboo and tied them side by side, with a couple going across. Then I attached anything that floated – old drinks bottles or fishing floats. The key with rafts is don't get too complicated."

#### FEND OFF AN ANIMAL ATTACK

"It's true what they say – stand your ground and make yourself as large as possible with your arms over your head. That's meant to make wild animals think you're just not worth trying to attack."

#### CALL FOR HELP

"If you were in a situation like mine, you'd get a pile of fine wood, then light it and put wet foliage on it to create smoke and get attention. Don't try to create stop-start signals with a blanket – that's a myth."

**EXCLUSIVE!**

# The return of Sophie Howard!

She's back and she's  
boobier than ever!

SOPHIE HOWARD

**H**ello Sophie, welcome back! What on earth have you been up to?

Hello! It's good to be back. I've not been up to much – I've just been enjoying semi-retirement, hanging out with my friends and partying lots. I had big ideas about shaving my head and getting loads of tattoos, but that never happened, as you can see.

**Thank goodness! So, what tempted you back onto the good ship boobs?**

My boobs missed all the attention. I thought you'd lay on some champagne for them. I also want some balloons, puppies, kittens and some male and female strippers.

**We'll see what we can do. What would you say has been your finest *Nuts* moment?**

My first-ever cover shoot, although this shoot could also be up there. It feels a bit like losing my virginity again. Thankfully, though, this has been better than losing my virginity as that was a bit crap!

**Was your aim to make this your rudest ever shoot?**

Absolutely. I've been doing naughty things with *Nuts* for ages, and it got to the point where I ran out of saucy stories to tell. I needed some time off so I could pick up some new ones.

**So can you tell us a new saucy story, please?**

Well, I almost joined the mile high club recently on a plane to the States. I met this guy on board and we hit it off, but we couldn't find anywhere private enough to do it on the flight!

**What do you make of the new batch of *Nuts* babes?**

They're all gorgeous – each and every one of them. They're all so cute and have amazing boobs, but they're nowhere near dirty enough. They need to be corrupted! Be filthy but friendly. That's my motto. ►

SOPHIE HOWARD

**"My boobs have been  
missing the attention!"**

**"I have a girl  
crush on  
Scarlett  
Johansson!"**

**We bet you loved reading *Fifty Shades Of Grey*.**

Of course! You know how dirty I am. I took it on holiday with me, but it's unrealistic. That woman comes at the drop of a hat. The guy touches her and she goes off like a volcano! I wish I could come so easily. It's given me a lot of ammunition for sexting, though.

**Are you a big fan of sending racy texts then?**

Yes. I especially love doing it to people who don't want me to do it to them. It's very naughty.

**What's the kinkiest item of clothing you've purchased recently?**

I have the usual stuff, but my favourite thing at the moment is a pair of crotchless knickers. You can have sex without even getting fully undressed. What a genius invention!

**What's the rudest request you've had in the bedroom?**

I can't imagine ever being asked to do something I wouldn't do. I'm pretty much up for anything. But I was with a guy once who wanted to try water sports. I was unable to comply as I get stage fright. I've scared blokes before, but they never leave the bed!

**Have you got a girl crush on anyone at the moment?**

I always have a girl crush going on. Right now, I have a thing for Scarlett Johansson.

**Can we have some seduction tips, please?**

It all starts with eye contact. If you're in a crowded place and a hot girl looks at you more than once, she's interested. After that, it's your job to get closer and make initial contact. Go for a funny comment rather than a cheesy chat-up line, and whatever you do, don't dance!

**We're coming around for dinner. What's cooking?**

If you're coming around for dinner, you're cooking. It's only polite. Anything except eggs is fine. Surprise me! ▶

**We're getting a whiff of spring.**

**Does that excite you?**

It does. I'm already making holiday plans. I went to LA to visit my friend last year, and plan on making a return visit soon. This time I want to take in a trip to Las Vegas. It's the universal centre of decadence!

**If you could do a no-holds-barred shoot with a massive budget, what would it involve? I think the question should be what wouldn't be involved! I'm open to anything except working with sharks or crocodiles. They bite people and that wouldn't be fun.**

**Lots of *Nuts* girls have been on *Celebrity Big Brother* recently.**

**Are you ever tempted?**

I have to say no, I think everyone would hate me. On day one I'd probably get drunk, snog someone I shouldn't, start a riot, then pass out. There would be a public backlash!

**Have you had any other offers to appear on TV?**

I almost did *Love Island*. I agreed at first then reconsidered. What a terrible idea for a TV show! I have a habit of making snap decisions then regretting them later.

**Do you still do personal appearances in nightclubs?**

I did a club tour once but it was horrific. I'm not good at being sober and standing on a stage in front of people. People must have been thinking, "Who's this girl with her boobs out? Put the music back on!"

**No way! You're very vocal about Liverpool FC on Twitter. Any thoughts about how the season's going so far?**

I think we're doing well. We're heading in the right direction. I love Luis Suarez! He's so sweet, and those teeth just do something to me.

**Thanks, Sophie! Finally, what's your ambition for this year?**

I'm getting another dog. I treat my dog like a baby and I think he needs a bit of company. ►

SOPHIE HOWARD

**"I couldn't go  
on *Celebrity  
Big Brother* –  
I'd start a riot  
on day one!"**

### Comic Relief – Funny For Money

**BBC ONE/HD • 7pm**

It'll be worth sitting through a bunch of newsreaders doing something wacky just for the fact that Ricky Gervais is bringing back David Brent for one night only. Show your appreciation for it by chucking a fiver to *Comic Relief*, why don't you?

★★★

### The Walking Dead

**FOX/HD • 10pm**

Hostilities between the prison survivors and the Woodbury faction continue, and as the death toll rises, Rick meets with the Governor to discuss a peace treaty. Even without all the zombies shuffling around, you know bad things are going to happen!

★★★★

### Fight Club

**CHANNEL 4/HD • 11.20pm**

If all that generosity and charity-giving goodness has got on your wick over on BBC One, we suggest this film as the perfect antidote. It's David Fincher at his best, directing Brad Pitt and Edward Norton as two blokes who start up a secret bare-knuckle fight club. But then, this film becomes so much more. Brutal and brilliant.

**THE BANK JOB**

**CH4/HD • 9pm**

Keep your eyes peeled and you'll see an amazing cameo by Mick Jagger from the Rolling Stones in the bank!

AFRICA UNITED

BBC TWO/HD • 10pm

Ace man movie about a group of African guys who are so desperate to get to the 2010 World Cup they embark on a 3,000 mile journey across Africa.

## Wales vs England

BBC ONE/HD • 4.30pm

It's the final weekend of the Six Nations, and at the time of writing, England were yet to take on the whipping-boys, Italy, but assuming they were brushed aside by Stuart Lancaster's men, an England win over the Welsh will give them the Grand Slam! Last year, though, it was the Welsh who emerged victorious.

★★★★

## 127 Hours

CHANNEL 4/HD • 9pm

A canyoneer getting his hand trapped under a boulder in a remote part of Utah made for an incredible story, but we struggled to see how it would make for a compelling film. Step forward Danny Boyle, who turned the real-life nightmare of Aron Ralston (James Franco) into a gripping tale of survival against the odds.

★★★★

## UFC 158

ESPN/HD • 2am

"Nick Diaz is the most disrespectful person I've ever met. I'm going to put the worst beating on him you've ever seen," so says welterweight champ Georges St-Pierre (above left) of his opponent. GSP doesn't trash-talk, but that's how much Diaz has got under his skin. We've never seen him fight cranky. This could get interesting.

WIGAN VS NEWCASTLE

SKY SPORTS 1/HD • 3.30PM

Wigan have beaten Newcastle six times in seven at home. With the Magpies hopeless away this season, go for a 1-0 Wigan win.

 CHRIS SAUNDERS, NICK SOLINGER; PHOTOS: REX FEATURES, ACTION IMAGES

Wake up! It's the opening round of the season from Melbourne. We'll be cheering on Lewis Hamilton, now with Mercedes, and Jenson Button, still with McLaren. Who has the best car? Who cares, as long they beat serial podium-hogger Sebastian Vettel?

★★★★

## Driven To Extremes

DISCOVERY/HD • 9pm

Tom Hardy, Adrien Brody and Henry Cavill join up with F1 driver Mika Salo and World Superbike champ Neil Hodgson to thrash vehicles around the world's most dangerous roads. Here, Hardy and Salo shiver along Russia's freezing cold Road of Bones.

## In The Flesh

BBC THREE/HD • 10pm

Don't miss this awesome new zombie drama. It's four years since thousands of dead people – including teenager Kieran Walker – were re-animated, leading to an all-out war between the living and the zombie "rotters". Now, the dead have been "treated" and reintegrated into society, but some folk are a touch resentful about it...

## Fifth Gear

DISCOVERY/HD • 8pm

If ever there was a doubt that landing a job as a motoring show's presenter is one of the best career moves you could make, Vicki B-H surely dispels it here. She meets Norwegian rally bloke Andreas Mikkelsen to race against the clock in a 200bhp road buggy, then they battle wheel-to-wheel in single-seat race cars. Nice.

★★★

## Bomb Patrol

CHANNEL 5/HD • 10pm

Using cameras mounted on the kit of the soldiers as they go about their daily business, this tells the continuing tale of a US Navy bomb disposal team trying to survive a five-month tour of Afghanistan unscathed. This week, the team are tasked with clearing the most heavily mined road in northern Afghanistan, known only as Route X.

SKY LIVING/HD • 9pm

As if having one overly clever woman in his life wasn't enough, Sherlock now contends with FBI profiler Kathryn Drummond, who shows up to help catch a serial killer. Meanwhile, Watson discovers she's been renting her apartment to a pornographer. Cool cop-ish drama putting a fresh spin on Conan Doyle's classics.

★★★

## The Following

SKY ATLANTIC/HD • 10pm

You have to suspend your disbelief to get on with this, but it's still enjoyable. Weston is still laid up in the hospital having been attacked by yet another follower of Joe Carroll - they're blooming everywhere! Plus, Carroll's ex-missus Claire is in danger. Again. Hardy and Parker also have a new boss. Probably a follower, too.

★★★★

## Bluestone 42

BBC THREE • 10pm

Surprisingly, considering it's from the team who wrote *Miranda*, this comedy-drama about a bomb disposal unit is holding our attention, despite some gags falling flat. Providing more sporadic laughs here, Mac and Rocket are gutted when Hibs vs Celtic is interrupted with news of an impending bomb factory raid.

Whatever next? This show follows clueless dads-to-be being "trained" up in all things pregnancy. Yikes!

## Breaking Magic

### THE INCREDIBLE BURT WONDERSTONE

15 March • 12A

Steve Carell is cheesy Vegas magician Wonderstone, who faces off against David Blaine-

style illusionist The Brain Rapist (Jim Carrey, back on top form) in a gag-filled treat – “He put a live dog in my pants!” Wonderstone and his partner Anton Marvelton (Steve Buscemi) go from riches to rags trying everything to recapture that old magic. ★★★★

### UTOPIA

DVD & Blu-ray • 18

If you missed this six-part series on Channel 4 recently, get this. It's an incredibly dark, twisted drama about a graphic novel, which

brings together a group of random people who are then targeted by a sinister company called The Network. It's part conspiracy theory thriller, part horror, and it makes for clever, if uncomfortable, viewing. Fiona O'Shaughnessy stars. ★★★★★

# Nuts Games Deal or No Deal masterclass!

A host of hot tips to help you win big with Nuts Games!

**→ YOU MAY** think Deal or No Deal is a game for people who believe in "systems". But take it from us – the multi-line slot game certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all 20 pay lines, you could win a big progressive jackpot. One recent *Nuts Games* winner bagged an impressive £38,905! Head to [www.nutsgames.co.uk](http://www.nutsgames.co.uk) and start playing NOW!

## How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can also win extra cash!

## Number lines

All you have to do is click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose "Bet Max" for the chance to play the bonus game and win big!

## Bonus game

If you bet on all 20 pay lines and get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake.

## Did you know?

To date, Matthew G has scooped the largest ever jackpot playing on Deal or No Deal slots – he won a staggering £1,963,089! Now that's a jackpot!

Racy revelations from our female readers!

CONFESION OF THE WEEK!

## 'Peep show to remember'

ON A recent weekend trip to Amsterdam, my chap and I stumbled across the infamous red light district. Having already sampled copious amounts of Dutch courage, we decided to be a bit naughty and squeezed ourselves into a live peep show booth. Fuelled by the alcohol and the visual stimulation, we turned the tables. My boyfriend rubbed himself up against me, lifted my skirt, pulled my knickers aside, pushed me over the chair and took me hard and fast. On our way out we got a knowing grin from the proprietor!

Tina via email

## 'Peri-peri naughty'

AFTER A boring day at work, I was chuffed to find out that my bloke was

taking me to Nando's for dinner. We got there, ordered, and chatted. As he was talking, I started to feel really horny, so I gradually slid my hand onto his thigh and moved it up and down. I could feel he was

starting to get turned on, so I "accidentally" dropped my knife, went under the table to get it and started stroking him. I got back up and the huge grin on his face made it obvious he wanted more. I told him I was going to the toilet and asked him to follow in two minutes. We went into the disabled toilet and had the most amazing sex ever. Oh, and the Nando's tasted all the better afterwards!

## 'Frisky with older man'

I WAS out with my girlfriends at a very nice bar one weekend when I noticed a guy looking over. He was in his 30s and I could see he took great care of himself. After a while, he bought us a bottle of wine and invited us to join him and his friends. We were chatting away with them when he whispered to meet me in the car park in two. I was shocked, but turned on. Some say the older the better, and so it proved as he knew exactly how to please me, touching and teasing me all over. I was a quivering mess! I met up with him later that night at mine and we had filthy sex all night long. He loves that I call him Mr Fox, and we still meet up when he's in town for some frisky fun!

## 'I had a sexy massage'

I BOOKED myself a full-body massage to get over my recent split from my boyfriend. The masseuse was blonde and very sexy, with huge boobs. As her hands ran up and down my body, I could hear her breathing get deeper and knew she was getting turned on by my toned body. She moved her hands over my bottom and gave it a light smack. I jumped and rolled over, then she gently massaged up my thigh, and I didn't tell her to stop. Her fingers found my clitoris and she expertly massaged that too. I closed my eyes and felt the ecstasy wash over me. As I was about to come, she slid her fingers inside me, and I could barely keep quiet as my orgasm exploded. I wasted no time booking another appointment!

# 10 RUDE QUESTIONS!

And a real girl to answer them!

Tina

23 Surrey

## 1 Where's the strangest place you've had sex?

"It has to be on the beach! The risk of being caught at any moment was such a huge turn-on for me."

## 2 What's your trademark move in the bedroom?

"I like to be on top. That way I can control how hard, fast or slow we do it, and my partner gets to see my big, natural boobs bounce around. It's a win-win situation!"

## 3 What turns you on the most?

"I love it when a man bites my ear and whispers naughty things. A bit of hair-pulling and spanking is always sexy too."

## 4 What's your favourite position?

"I really like to be in the spoon position so the guy can reach around and grab my boobs and bite or kiss my neck as we're doing it."

## 5 Is it better to give or to receive?

"It has to work both ways – I like giving and receiving. Knowing my man's turned on definitely makes me horny, but I like a bit of attention too."

## 6 What one thing would you really like to try?

"I've always liked the thought of being tied up and teased. It would be good to put my man in total control, then lie back and enjoy!"

## 7 Ever got it on with another girl?

"Yes, loads of times – usually on a night out. Girls are good to kiss, because they have softer lips."

## 8 What's your role-playing costume of choice?

"I think a massage is perfect foreplay, so it would have to be a sexy massage costume with stockings, suspenders and high heels."

## 9 Have you ever made a sex tape?

"Yes! Me and my boyfriend make sex tapes all the time. If I'm feeling horny, I just watch them back. I sometimes shock myself at how naughty they can get!"

## 10 What's the rudest thing you've done?

"Once, I was feeling highly turned on in a bar, so I pulled my boyfriend into the women's toilets and had sex! I think everyone knew what we'd been doing when we walked out together."

**"If I'm feeling horny I just watch my sex tapes!"**

## Jonathan Pearce's players of the year!

As the PFA Player Of The Year awards approach, the BBC's top commentator picks his favourites!

→ FORGET THE Oscars, the highlight of our awards season is the gong given out by the Professional Footballers' Association for their Player Of The Year. Here, *Match Of The Day*'s Jonathan Pearce assesses the favourites and tells us who he thinks will win the (quite) famous trophy.

RADIO LEGEND!

Jonathan's broadcasting career began at BBC Radio Bristol in 1979!

### MAROUANE FELLAINI EVERTON

"Muscular and aggressive, he's proved a real handful for defenders with the best league goal tally of his career. His strikes against Man City and Man United earned the Toffees four points. He's a big-occasion player, but there are others on the list who've shone more and an excessively physical approach may deter some voters."

### MICHU SWANSEA

"The bargain buy of the season at just £2m, Michu played a huge role in Swansea's Capital One Cup final success. He's had a third of Swansea's efforts on goal and has scored one in every five chances, though 11 of his first 15 league goals came against bottom-nine clubs. Lack of European football will count against him though."

### JUAN MATA CHELSEA

"In a fractious campaign, the little Spaniard has been Chelsea's most consistent performer with his clever passing, wriggling runs and possibly more than 20 goals. His understanding with Oscar and Hazard can produce thrilling football, but he can fade. Defensive duties need improving, but but he can light up a game and is a worthy contender."

### LUIS SUAREZ LIVERPOOL

"If skill, work-rate and importance to the club's campaign were the only factors, the Uruguayan would win it for me. He never stops running, always tries to create chances off the shoulder of the last defender, and has kept an average Liverpool going. But he goes down far too easily and is often involved in controversy."

The Dog and Duck's  
six-a-side team  
had a few ringers

#### GARETH BALE SPURS

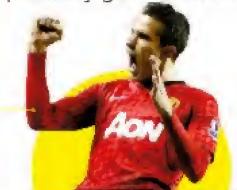

"The Tottenham flyer has been in the form of his life, using his pace and power either wide or through the middle. He'll scorch past defenders to ping in crosses or launch a rocket past the keeper. Yes, he can drift out of matches and needs to cut out the perceived diving, but he'll only get better. A superstar in the making."

#### ROBIN VAN PERSIE MAN UNITED

"Last year's winner, the Dutchman has made the difference to Man United's title challenge this season. Netting against all the other top-seven clubs, his run of eight goals in ten at the turn of the year could prove decisive. He still loses his rag occasionally and his barren patch in late winter was worrying. Still the favourite though."

## Pearce's winner!

"It'll be very close between Van Persie and Bale. The late votes may favour Bale and I'd like him to win it as he may never have this sort of run again. But **Van Persie**'s work in the first half of the season will probably get him the nod."

## Notable mentions!

Jonathan runs the rule over the best of the rest!

#### JACK WILSHERE

"Has overcome a bad injury to star in an average team and prove inspirational for his country too."

#### CHRISTIAN BENTEKE

"Without his goals, Villa would have sunk without a trace – absolutely vital for them."

#### FRANK LAMPARD

"A remarkable footballer who's defied worrying injuries to close in on Chelsea's scoring record."

#### LEIGHTON BAINES

"The best left-back in the country with dogged defensive work and surging runs."

#### OSCAR

"A prodigious talent at 21. A contender for the Young Player Of The Year award."

## F1 SPECIAL!

# David Coulthard: ‘This season’s going to be special!’

**The top pundit on the new F1 season  
and why no one can predict the champion!**

→ **Hi David! How do drivers feel as a new season approaches?**

I'd go through a range of emotions – little things like reliability issues with the car – which wouldn't go into the public domain. But none of it matters when it comes to the first race. The quickest car doesn't always win the Grand Prix, and the quickest driver doesn't always win the race. We'll get a snapshot from the opening GP in Melbourne, that's it.

**What have we got to look forward to this season?**

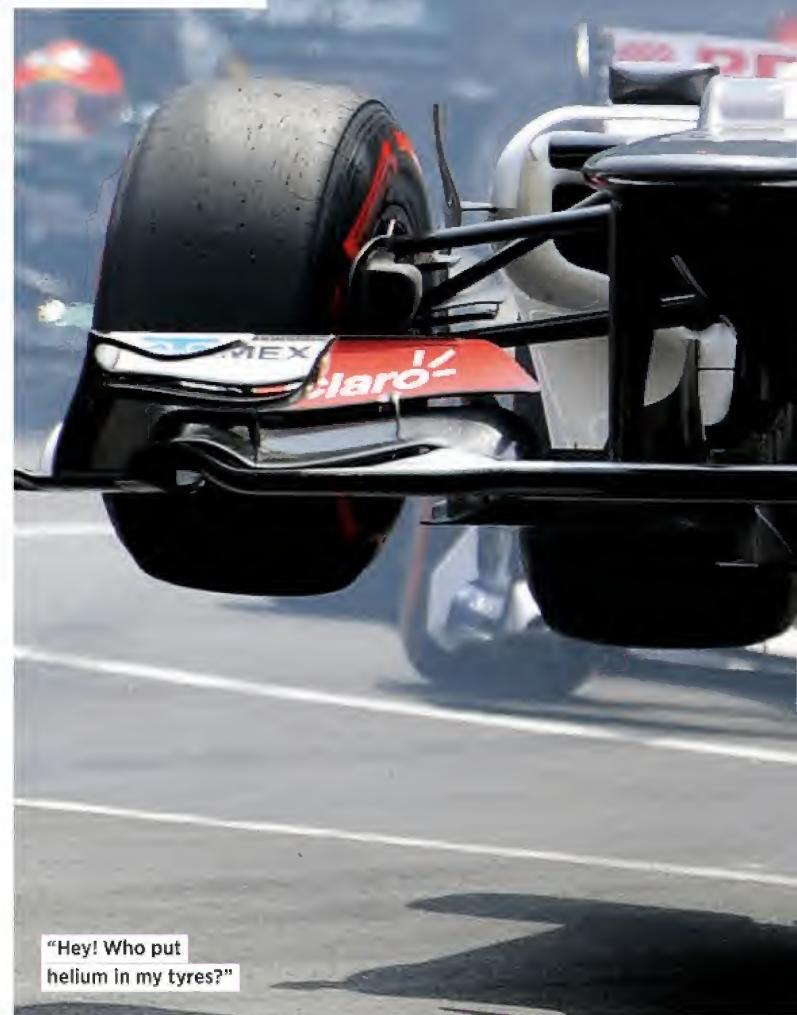

There'll be great battles like Button vs Hamilton, McLaren vs Mercedes and Red Bull vs Ferrari. On the last corner of the last race at Abu Dhabi they'll all be scurrying for the line with their tongues out like Lightning McQueen in Cars!

**Is 2012 champion Sebastian Vettel unstoppable?**

No one's unstoppable. The top guys at that level are all exceptional drivers. You can't separate the talents of Hamilton, Vettel, Alonso, Button and Webber. They all have the experience and speed to triumph. It then comes down to opportunity.

**What's the relationship like between Hamilton and Button now?**

Lewis and Jenson have built up a working respect. Now Hamilton's

"Hey! Who put helium in my tyres?"

gone to Mercedes, they have a more open relationship as men than as team-mates because they both drove for McLaren. If Lewis in the Mercedes beats Jenson, Jenson has the comfort that he's in a different car.

**What's the relationship like between team-mates generally?**

If we were drivers in the same team, I'd have to beat you – my success is your failure, and vice versa. But having said that,

drivers are like boxers – after the event they have mutual respect for each other.

**What are the big races to look for this season?**

The best circuits to drive are Spa and Monaco, but the best tracks for viewers are Montreal and Singapore, because they've historically given us topsy-turvy racing scenarios, often due to changing weather conditions. At other tracks, one

**FROM PODIUM TO PUNDIT!**

David won 13 Grands Prix in 15 years as an F1 driver. He's now a pundit for the BBC.

guy qualifies at the front, stays at the front and wins the Grand Prix.

## So you're looking forward to the new season?

Absolutely, I can't wait. It's going to be very special!

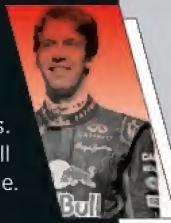

- Melbourne Grand Prix, Sunday 17 March, 6am, live coverage on BBC Radio 5 Live, highlights on BBC One/HD at 2.20pm

## The drivers to watch!

Who'll triumph in 2013?

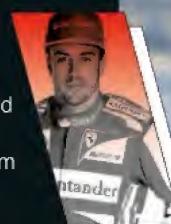

### SEBASTIAN VETTEL

The champ already boasts three drivers' titles. In the Red Bull he'll be near-unbeatable.  
Odds • **6/4**

### FERNANDO ALONSO

Alonso came just three points behind Vettel in 2012. His Ferrari will help him challenge again.  
Odds • **3/1**

### JENSON BUTTON

The McLaren driver should make it into the top three. His car's as strong as ever this year.  
Odds • **6/1**

### LEWIS HAMILTON

A transitional season for Lewis. The Mercedes doesn't seem able to cut it yet.  
Odds • **8/1**

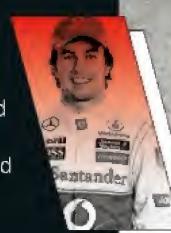

### KIMI RAIKKONEN

Lotus' number one came third last year. Less fancied this season, but he's consistent.  
Odds • **12/1**

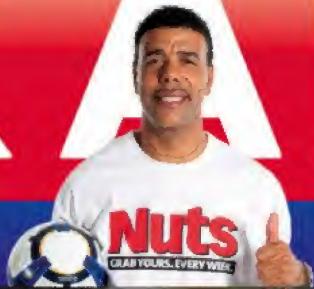

### SERGIO PEREZ

Button's McLaren team-mate has never won a Grand Prix, but the Mexican's expected to perform well.  
Odds • **14/1**

## Dortmund could be a real problem!

# Rooney's on his way!

**Left out against Real, Wazza's days are numbered at OT**

→ HE MIGHT be England's best-known player, but it looks likely that Wayne Rooney's going to leave Man United. In the Champions League tie against Real Madrid, Sir Alex Ferguson decided to play Danny Welbeck instead of Wayne – and Welbeck was probably United's best player.

Wayne now knows he's no longer the first choice centre-forward when United are playing Europe's best teams. He won't want to be a squad player – he's Wayne Rooney, after all.

Where he goes now is a conundrum. Real Madrid or Barcelona won't buy him at the moment, but remember that AC Milan got Mario Balotelli, and who would you rather have in your side? Wayne Rooney, obviously.

Questions will be asked about whether he could cope outside of England. But, like David Beckham, he has a strong family and he could go and concentrate on his football to prove he's not a spent force.

There are some people who maybe think he's not the player he was, but if you

saw that 25-yard goal he scored against Norwich, you'd never have envisaged that Sir Alex wouldn't play him against Real.

So where will Wayne go? Juventus and Milan could be options, as could Paris St Germain, especially with a friendly face already there in the shape of David Beckham. And in England? Look no further than Stamford Bridge – Rooney could be a target for whoever takes over when Rafa Benitez leaves at the end of the season. Rooney in blue? Well, it wouldn't be the first time.

WHILE ALL the drama was unfolding at Old Trafford, over in Germany, Dortmund were quietly brushing aside Shakhtar Donetsk with a 3-0 win. A terrific performance, and both Borussia and obviously Bayern Munich are looking strong. If they manage to avoid each other then they both look good for the semi-finals and possibly even an all-German final, who knows? Dortmund manager Jurgen Klopp has been mentioned as a potential Chelsea manager – I know Mourinho is the bookies' favourite but to me, it seems clear that he wants the Man United job. "The best team lost"? It sounds like someone is trying to curry favour with the Manchester public!

## KAMMY'S UNBELIEVABLE-OMETER™

**UNBELIEVABLY GOOD!**

**SHIN HISTORY!**

It was a delight to see Shinji Kagawa becoming the first Asian player to score a Premier League hat-trick, a wonderfully taken hat-trick, too.

**UNBELIEVABLY BAD!**

**OFFSIDE!**

Arsenal conceded two identical goals against Spurs, both due to a poor offside trap. Arsenal have never properly replaced the likes of Tony Adams.

## Kev's love of goals!

**MEANWHILE, BACK** in London, 39-year-old Kevin Phillips was banging in a hat-trick! Kevin's absolutely top-drawer, he's becoming like the Ryan Giggs of Crystal Palace. I had three managers ring me this week because we had John Carew on *Goals On Sunday*. They all said, "How old is Carew?" I told them – 32, and here, you can have his number if you want to sign him. But he just doesn't want it any more, he has earned enough and obviously has other ambitions. But if you're 39 and you still have that desire to perform to the best of your ability, then it's really no age at all.

"That's torn it!  
My back's gone!"

# "Quote me on that!"

This week's biggest match debaters!

"Chelsea 2-0 down, it's so evenly balanced"  
Er, how, Glenn Hoddle?

"Carroll will cause anyone problems and I don't see a problem in that"  
Problems for Alan Shearer.

"Even if there's one game to go and we're 12 points behind, we'll still believe"  
Really, Joe Hart?

"Left alone in Blackburn, I'd hang myself"

Blackburn's Gael Givet winds up the locals.

Lewis Hamilton has an X-rated phrase book.

"Physically, I felt good, even though I couldn't feel my feet"

That's not great for a footballer, David Beckham.

"The players can go home tonight and drink five pints of wine"  
Harry Redknapp relaxes his approach.

## OO-ER SOUNDS A BIT RUDE CORNER!

"I saw it as a bit of infidelity that Adrian Chiles decided to play with Gareth Southgate while I was away"  
Lee Dixon misses out on the action.

"Jack Wilshere has got a magical thing"

Gordon Strachan's seen it all.

"Three of them got right up Gareth Bale"

Steve Claridge on a painful afternoon for the Spurs man.

# Funniest football banners!

WORDS: ANTHONY TEASDALE

Cheeky flags that bring laughs to the stands!

## POOR OLD

Rafa Benitez. He's told the Chelsea fans that he'll be doing one at the end of the season and that they'd do better to get behind the team, but still – as the banner below shows – they won't let it go. But he's not the only one to fall victim to fan-flag fun, as this lot show!

## BACK TO LONDON, MIKE!

Newcastle fans may not like Mike Ashley, but at least they're nice enough to remove the rude word.
